Crimson colors in purple haze make way for the dawning of a new day.

Secretly dreaming in the night while above the stars shine bright.

Day by day we journey to the end of our high school days. As we look back on the year 1975 our minds focus on the special events we participated in. Through this book we hope you can relive the events most cherished to you.

Nineteen Hundred and Seventy Five . . . A year of memories. 9/11 . . . School started . . . 10/1-10/4 . . . clean campus week . . . 11/8 . . . homecoming . . . 11/17-11/23 . . . girl's week . . . 11/27 . . . pep rally . . . 12/13 . . . silver bells . . . 1/15 . . . count dracula . . . 3/10-3/14 . . . superstar week . . . 3/14 . . . sadie hawkins . . . 3/19 . . . japanese students arrived . . . 4/11 . . . spring fever . . . 4/28-5/2 . . . boy's week . . . 5/5 . . . cinco de mayo . . . 5/11-5/17 . . . black awareness week . . . 5/16 . . . prom . . . 5/22 . . . senior kiddy day . . . 6/12 . . . graduation.

From the very first day pieces of the future were being put together. Little by little we built up what would soon become many memories. The lively sounds from Sadie Hawkins, reliving childhood on Kiddie Day, worthwhile experiences gained from boy's and girl's week, the evening of enchantment Silver Bells, the most romantic evening of the year, the Senior Prom. For many it will be the last time to share precious moments. Finally we come to graduation. The day we look forward to, and yet we try to put aside. Day by day three short years are remembered so vividly and candidly in our minds. The days we thought would never end are over.

CABINET MEMBERS AND EPHEBIANS LEAD

WASIOSHINDWAS CABINET F'74: Vice President Gwen Harville, Treasurer Susan Ichiyama, Historian Lillian Jefferson, Secretary Lynn Ikemoto, President Deborah Shotlow.

We "totem" to smile, but Richard didn't get the message — **Brian Yamaguchi, Lynn Ikemoto, Richard Villasenor and Leilani Cooper.**

Led by President **Deborah Shotlow**, the **Wasioshindwas Cabinet** put in much time and effort to make it a memorable year for all of us.

This year, exceptional seniors were honored by faculty and fellow Wasioshindwas for outstanding character, scholastic record and service achievement. Only one out of forty seniors gain membership into the **Ephebian Honor Society**. The major purpose is to focus the attention of the outstanding graduates upon matters of civic and community leadership, betterment, and service, and to inform and encourage the membership to active participation in these directions. This year twenty-five seniors were recognized by school and community as distinguished leaders. To each honorary member, we extend a sincere congratulations!

Climbing to the top are **Debra Schloe, Gwen Harville and Les Higa.**

Posed, poised and polished are **Karen Jackson and Gale Wuchner.**

The "eyes" have it! **Irene Hojo, Laurie Neal and Nelson King.**

THE WAY FOR THE 1975 WASIOSHINDWAS

Dale Morimizu, Jean Alexander, Susan Ichiyama and Glenn Moromisato are all smiles.

Keith Dong, Teresa Yue, Paul Kurashima and Kathy Nakamatsu: Monkey see, Monkey do, these four made Ephebians too.

Taking it one step at a time to make it to the top are — Liz Fushiki, Chris Hernandez, Diana Bremmer, Teresa Smith and Robin Nakao.

WASIOSHINDWAS CABINET S'75: Historian Debra McNamee, Treasurer Susan Ichiyama, President Deborah Shotlow, Vice President Rhonda Lee, Secretary Lynn Ikemoto.

WITH "HOPE AND DETERMINATION", THE GREAT

MOHICANS CALM SAN FERNANDO TIGERS' ROAR 21-7

The **Gardena Mohicans**, 1973 L.A. City football champs, opened their 1974 season by defeating the **San Fernando Tigers** 21-7. The defending City champs had little trouble beating San Fernando. In the first quarter, quarterback Rick Grant scored Gardena's first touchdown and then passed 24 yards to George Farmer to give the Mighty Moes a 14-0 lead. Mohican tailback, Ken Smith, rushing for 214 yards on 21 carries, ran 27 yards for the final score, 21-7.

Always alert and quick was **Ken Smith**.

NOTRE DAME KNIGHT'S LANCE BROKEN 16-8

After winning the first game of the season, the No. 1-rated **Mohicans** in L.A. city, gained their second victory as they defeated **Notre Dame** 16-8 in Sherman Oaks. Highlighting the event were two touchdowns made by fullback Raymond Cryer. Cryer scored on a 15-yard run in the first period and a one yard run in the fourth. In addition to Cryer's touchdowns, Julius Hamilton added a safety in the final period. In the last 48 seconds, Notre Dame scored their only touchdown of the game on a short run followed by a two point conversion.

EAGLES CLAW MOHICANS

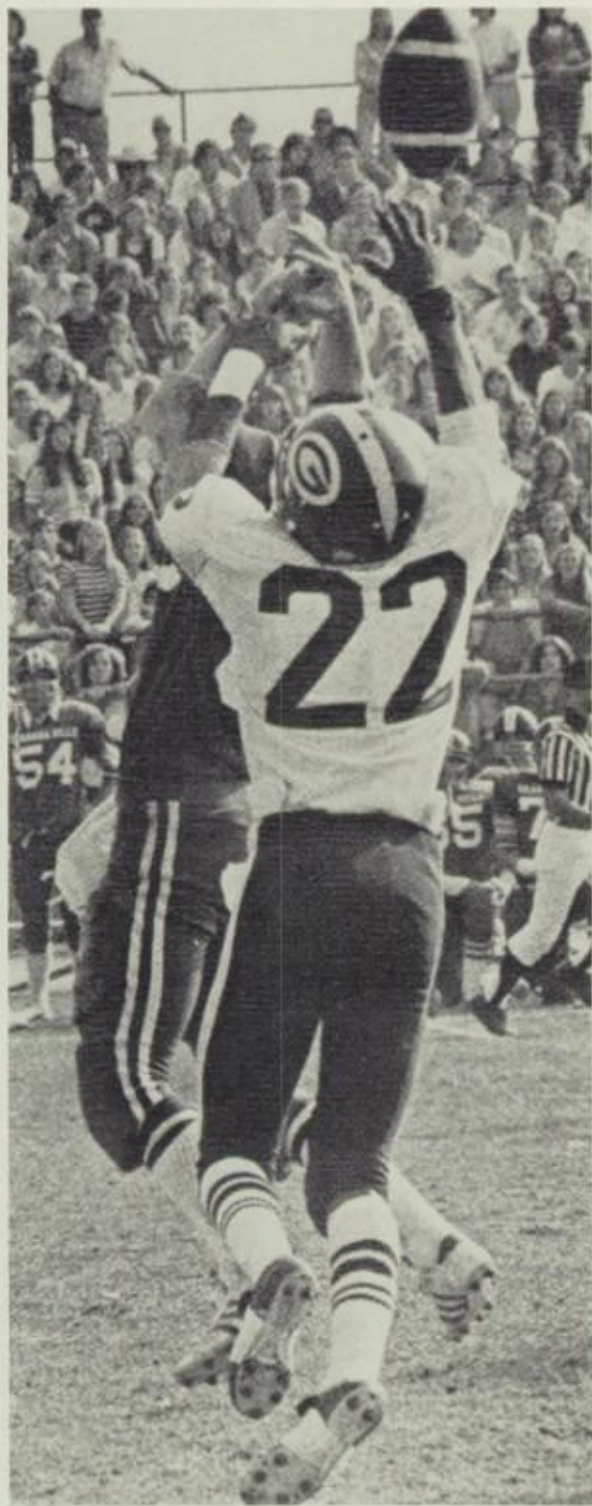

With 22 seconds remaining in the game at Cerritos College, the Mohicans lined up in field goal formation with **Bell** holding onto an 8-7 upset. Although the line of scrimmage was the nine yard line, Luciano Cuoto, the Mohican kicker, was betrayed by an errant center snap. With tailback Ken Smith doing the brunt of the carrying, the **Big G** marched 63 yards in 11 plays. Finally, Smith made a touchdown and Cuoto added one more point. Later, a fumble off a bad

center snap to quarterback Ricky Grant affected Gardena and lead the Eagles for a touchdown followed by a two point conversion making the final score 8-7.

CHIEFS BEGAN AN UNFORGETTABLE SEASON

Preventing the opponent from catching the ball is **J. Hamilton**.

Cautioning the opponent's attack is **K. Byrd**.

SCOTS' KILTS DISROBED 28-23

In the last practice game, the Mohicans scored a 28-23 victory over the **Granada Hill Highlanders**. After quarterback Rick Grant saw his first pass intercepted, he came back to put Gardena in front. A 29 yard pass to George Farmer put the Mohicans on the Highlander's one yard line. Smith scored the first of his three touchdowns on the first play following the pass. In the 2nd quarter, a 21 yard pass to Farmer set up Gardena's second touchdown. Gardena scored its third touchdown on a 32 yard pass from Rick Grant to Nesby Glasgow. On first and goal with 2:38 left in the game, Smith scored his third touchdown of the game to give the Mohicans a come-from-behind 28-23 victory.

G. Farmer made the 2nd touchdown against the Scots.

MOHICANS EXORCISE SAINTS 7-0

The **Gardena High Mohicans** started off the first Marine League game defeating the **Locke Saints 7-0** at Gardena High School. Surprisingly, the Mohicans had many problems; they gave up the ball three times and quarterback Rick Grant was intercepted three times. The Mohicans led the game without scoring but in the third quarter, Ken Smith took the ball in from six yards out giving the Moes a 7-0 lead. In the fourth period, the Mohicans almost

put the game out of reach but they failed because of a fumbled handoff. At the end of the game, the scoreboard lighted the score of 7-0 claiming the Mohican's victory over the Saints.

THE OFFENSE CARRIED THE BALL WITH A RUSH . . .

BIG G'S SINK THE PIRATES 40-0

Split end **S. Williams** hurried towards the goal line at the second Marine League game.

The compulsive Mohican Machine rolled to its second straight Marine League win against **San Pedro High School 40-0** at Long Beach Veterans Stadium. The Mohicans scored the first time they had the ball on a 46-yard drive in eight plays following a San Pedro punt. Fullback Raymond Cryer and tailback Arthur Sibley alternated running with Sibley ending the drive on a touchdown from the one. After receiving the kickoff, the Pirates came back and made two first downs before their attack stalled. San Pedro's quarterback David Soto hit flanker Anthony Lauro and halfback Bob Beech for first downs. Gardena took over on its own 44 and despite a couple of 5-yard penalties, gained yardage on two plays for the score. Quarterback Keith Lee hit slotback George Farmer for 29 yards and a first down on the Pirate 32 and four plays later, found split end Seth Williams wide open at the five yard line for the touchdown. In the second half, the Mohicans scored the first two times they held the ball. In the third quarter, tailback Ken Smith carried 5 times for 21 yards to set the Big G's up for Lee's 36-yard pass to Farmer for the touchdown. The game ended with the score of 40-0 in favor of the Mohicans.

Both the **Big G's** and the sinking **Pilots** concentrated on the ball.

PILOTS' PLANE CRASHED 28-7

The Mighty Mohican Machine was on the move again as they defeated the **Banning Pilots 28-7** at East Los Angeles College. Any hopes Banning had of upsetting the Moes were dashed very early when Ken Smith scored twice for a 14-0 lead early in the second quarter. Smith burst up the middle for a 26-yard score, then his four-yard run put the game out of reach. At the end of the second quarter, Banning came back with a touchdown making the score 14-7. The Moes' quarterback Rick Grant made six completions in seven attempts, and he clicked with Nesby Glasgow for a 34-yard third quarter touchdown. In the final period, Keith Lee tossed a nine-yard scoring pass to Antowaine Richardson for Gardena's final touchdown. As a result, the game came to an end with the score of 28-7.

Trying to free himself from a Banning football player is fullback **William Foster**

Along with **R. Duke**, **N. Glasgow** united to blow the Pilots.

THE DEFENSE HELD THE BALL WITH A PUSH

Ignoring the opponent's attack is slot back **G. Farmer**.

THE GREEN MACHINE SHRINKS GAUCHOS' TROUSERS 27-24

In the most emotional game of the season, the Gardena Mohicans gained a come-from-behind **27-24** victory over the **Narbonne Gauchos** at the homecoming game of Gardena High School. Surprisingly, the Big G's turned into small G's as they allowed the Gauchos to run up a 24-7 advantage, however, by the end of the third quarter the frozen Moes started to move as Raymond Cryer scored from 21 yards out to make it a 24-14 ballgame. In the fourth quarter, junior signal caller Keith Lee dropped back to pass and completed a bomb to George Farmer at the Gaucho one. Sibley scored from the one yard line, making the score 24-20. With 9:29 left in the game, Keith Henderson intercepted a Narbonne pass at the Mohican 20 and ran it back 33 yards to leave the Moes 47 yards away from the winning score. Three minutes later, Sibley blasted over from the seven yard line ending the game with the score of 24-27.

One who specialized in kicking was Gardena's **Luciano Cuoto**.

Quarterback **Ricky Grant** searched for a receiver to pass the ball.

Raymond Cryer was honored by the National Football Hall of Fame for excellence in athletics and academics.

Julius Hamilton made several key interceptions during the season and was a constant defensive threat.

COLTS WHIPPED 7-6

The Gardena Mohicans came from behind to score a **7-6** victory over the **Carson Colts** for the 1974 Marine League Championship. Carson came into the game with the momentum of four straight Marine League victories, and took the opening kickoff 76 yards in 10 plays to grab a quick 6-0 lead over the Mohicans. The turning point of the game came when defensive back Nesby Glasgow intercepted a Colt pass at the Colt 40 yard line. Receiving a 38 yard pass from quarterback Rick Grant, Seth Williams scored the winning touchdown and with it secured the 1974 Marine League Championship.

"CONFIDENCE"... PUSHED THE TEAM TO CITY

About to make a touchdown in the North Hollywood game was slot back **George Farmer**.

MOES SKIN THE COUGARS 12-8

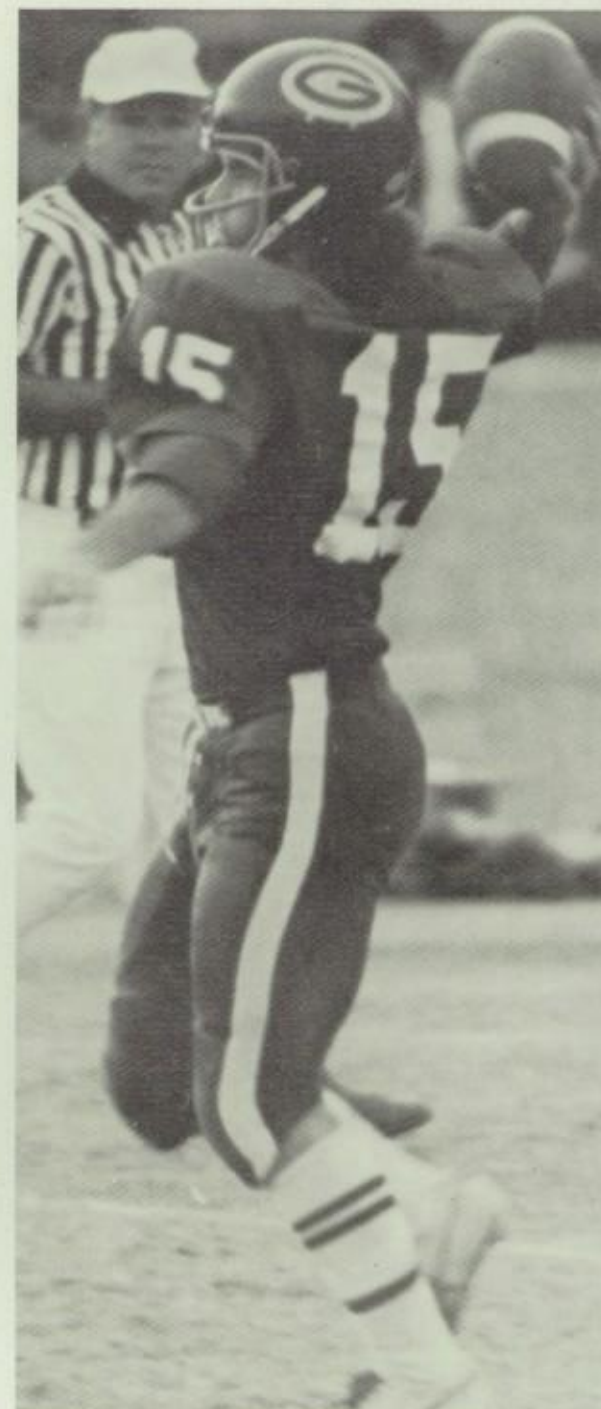

The Gardena Mohicans won their second straight City football playoff game of the season against **Crenshaw High** at El Camino College with the score of 12-8. The Great G's scored two times in the first half; Antowaine Richardson intercepted a Crenshaw pass and as a result Arthur Sibley blasted for 10 and later scored from the one yard line for a 6-0 Mohican lead. Following the kickoff, Nesby Glasgow recovered a Crenshaw fumble, and three plays later quarterback Rick Grant bucked over from the one for the touchdown. The mighty Gardena defenders stopped the Crenshaw Cougars from couching by keeping them scoreless. However, in the 4th quarter, the Cougars somehow managed to score a touchdown followed by a conversion. At the end of the game, the scoreboard lighted the winning score of 12-8.

HUSKIES VACCINATED 20-0

The spirited Mohicans were marching on to victory as they defeated **North Hollywood** in their first-round City football playoff game 20-0 at Santa Monica College. The Mohicans scored in each of the first three quarters; George Farmer in the first quarter, fullback Raymond Cryer in the second and cornerback Arthur Sibley in the third. North Hollywood was unable to make any touchdowns and as a result the final score remained 20-0.

Cougars calmed as **Arthur Sibley** made his move.

Quarterback **Rick Grant** focuses to pass.

Nesby Glasgow, Coach Vidal, and Tammy Kemp shared the agony of defeat in the Palisades game.

DOLPHINS DROWN THE BIG G'S 6-0

The Gardena High School Mohicans fell into sorrow after a devastating defeat of 6-0 by the **Palisade Dolphins** at Santa Monica City College. Because Gardena wanted this game desperately, they were disappointed by the touchdown scored by the Dolphins at the end of the 4th quarter. With 51 seconds left in the game, the Mohicans drove the ball and almost put the Mohicans in the lead. The final score of the game was 6-0, this ended the Mohicans' football season.

 They'll live on in the heart.*

Kunihiro Katsumata

Marvin Okumura and two of the Japanese exchange students say goodbye at the airport.

It was on Thursday night, April 10, that the Japanese Club hosted a Farewell Dinner for the students. On that night many moods were felt among our students and the exchange students. Mr. Rudoff presented each of them a diploma and Mohican T-shirt.

At Spring Fever, **Minae** was the proud winner of a stuffed animal.

MR. RUDOFF AND STAFF WEAVE MOHICAN FABRIC OF

Asst. Principal John Anderson received his Doctorate degree from Brigham Young University in Provo, Utah on April 8th. Dr. Anderson is in his fifth year at Gardena High School.

Mr. Leonard Rudoff came to Gardena High School in March of 1971. Since that time he has worked hard to achieve the confidence and respect of the Faculty and Student Body. His door is always open to those whose constructive comments are designed to build a stronger Gardena High School. The respect the educational community has for Mr. Rudoff is reflected by the numerous committees he serves upon to improve the City system. He has great faith in the students and calls upon them in his decision making process. They in turn respond by invitations to banquets, programs, sports rallies and countless meetings that take what little time he has left at the end of an already crowded day. 1975 was a busy year for Mr. Rudoff with the Accreditation evaluation of the entire Gardena plant by the Western Association of Schools and Colleges.

A black and white photograph of a coastal landscape. In the foreground, there are dark, silhouetted branches of a bush or tree, with leaves visible. The background shows a body of water, possibly a bay or harbor, with a distant shoreline and some buildings visible on the right. The sky is filled with clouds, and the overall tone is soft and contemplative.

*Precious and few were the
moments we have shared.*

*So many times have we wished and
dreamed of that special day,
the special time, that special
someone . . .*

*From these will come memories,
memories that will live forever.*

The memories that will never fade.

*Too many times have we wasted the times
most precious.*

The days that hold so much.

When the world seems to end.

It's then that we learn

day by day only our

memories keep us "alive."

WHY KNIGHTS AND L.L.'S LEAD THE WAY

Las Laureas and knights show their talents at Clearview Convalescent Home.

The **Knights** and **Las Laureas**, top honor and service club at Gardena, completed another successful year. They were led under the leadership of Commanders **Brian Yamaguchi** and **Peter Inouye**, and Presidents **Gale Wuchner** and **Rosanne Cohoe**. **Mr. Irby**, **Mr. James**, and **Mrs. Horn** acted as advisors. During the school year, the Knights and L.L.'s had such traditional projects as the Homecoming Mum Sale, Silver Bells Dance, and Parent Appreciation Night. New activities attempted were an Easter Welfare Project, Christmas Caroling, and an exchange with the San Pedro Knights and Knightettes. Besides these events the two clubs also performed their usual ushering of sport activities and special assemblies. The Las Laureas in addition, brightened our campus by planting spring flowers for Mr. Rudoff.

CARING FOR THEIR SCHOOL AND COMMUNITY

"Caring; Our Way of Life" was the international theme for **Key Clubs** all over the United States. Under the leadership of **Ryan Mizukami F'74** and **Leonard Gisbert S'75**, Key Club fulfilled their goal by rendering their time and service to their school and community. Also there with a helping hand was sponsor **Mr. Gene Cattermole** and queen **Shari Yamamoto**. School services consisted of locker clean-out, cleaning the letters in front of the school, stadium clean-up, and assisting at track meets. Community projects included: tree planting in the San Bernardino Mountains, caroling at Gardena Memorial Hospital and St. Jude's Convalescent Home, visiting the Spastic Foundation, painting the FISH, and cleaning up Artesia Blvd., as well as the tidepools in Palos Verdes. No specified grade point average is required. The only requirement is a desire accompanied with willingness to serve their school and community.

They also competed in the open tournament at Mira Costa and Carson High Schools and several community contests including the Voice of Democracy, American Legion, Lions Club and Carson Black Heritage Contest. A lot of new students have been introduced into the world of speech and there has been a growing awareness and appreciation of Forensics.

GARDEN DISPLAY AT LOS ANGELES COUNTY FAIR

Eileen Clark represented one of three who competed at the State Contest in Horticulture.

Gwen Nabors collected her ferns for the construction of a floral display.

1975 was a good year for the Future Farmers of America. Early in September they designed, planned and constructed two landscape booths at the Los Angeles County Fair in Pomona. Out of 100 possible points their Oriental Garden was awarded a First Place with 99 points. Their Flower Garden booth also received a blue ribbon with 100 out of a possible 100 points. At the Los Angeles Sectional FFA Leadership Conference **Kai Giffin** was elected Sectional FFA President. **David Jacobson** was elected Regional Reporter early in March at the Southwestern FFA Regional Meeting. At the 25th Annual Pierce College Field Day the Horticulture Team involving **David Jacobson**, **Jean Laudenbach** and **Eileen Clark** was awarded First Place for their ability to identify and classify a variety of plants. They also had to judge plants and explain orally their reasoning for their judgments. Individual honors went to **Jean Laudenbach** with a Fifth Place. At the same contest the Poultry Team, consisting of **Fred Ward**, **Lisa Breeding** and **Paul Chang**, took a Third Place. Individual honors went to **Fred Ward** with a Fifth Place. In April at the Cal-Poly Field Day the Horticulture Team received Second Place. Individual honors went to **David Jacobson** — Third Place and **Eileen Clark** — 8th Place. Planning and organization of the Future Farmers was under the capable guidance of their President **Terry Wilson**. Terry was an inspiration to the group by his long hours and dedication toward his job and project. **Mr. Weber** and **Mr. West** are Co-Sponsors for this special interest group.

David Jacobson served the club as Chapter Reporter and Regional Reporter.

FFA President **Terry Wilson** worked diligently on his plot of beets.

The **Ski Club** of Gardena High went through a disappointing year. Although they did have a car wash to raise money, lack of snow and bad conditions hampered their trips. Meeting every Tuesday in Co-sponsor Mr. Dennis Sullivan's room, the club was led throughout the year by President **Barbara Schloe** and Sponsor **Mr. Michael Gray**.

Many quiet and pollution free days were enjoyed by the **Trailblazers** this past year. The hikers of GHS enjoyed many Saturdays in the nearby San Gabriel and San Bernardino Mountains. In addition to their usual weekend hikes, the Trailblazers trucked up to Yosemite during Thanksgiving vacation, enjoyed a snowy trip in Palm Springs, and a midnight hike guided only by the moonlight. They were led by Presidents **Gary Barton** and **Mark Nakamura** and their intrepid sponsor, **Mr. James**.

Bad conditions like this exemplified the type of year for Gardena Ski Club.

HIKIN' AND HOT DOGGIN'!

Mr. Yearbook Ends 41 Years with Gardena

From 1934 to this his last edition, Mr. John F. Cannicott has guided successive Editors, Staffs and Advisors of the El Arador. The Man was affectionately called Jack and it is with that affection, respect and appreciation that I reflect on the life of a close, personal friendship kindled by 18 years — Day By Day with Jack.

Mr. Cannicott was born and raised in England. At 16 and with his mother's request not to work in the coal mines he decided to come to America and seek his fortune. He never saw his parents again. Working while attending the University of Minnesota he conceived the idea of a custom designed theme around which each school could build their yearbook. His ideas caught on as he assisted each Staff in implementing their theme. He took to the road calling on high schools and colleges throughout the middlewest. There were few small towns in Iowa, Nebraska or Minnesota that you could mention that Jack couldn't tell you the name of their school yearbook and the years that he published it. He always liked 'Iowa People' and was very fond of the associations he had there. He remem-

bered them as "good, fair and genuine people".

He had an intense dislike for written contracts — his word was his bond and he expected the same from the people he worked with. There is a school in the 'country' that Jack has printed their yearbook for the past 47 consecutive years without a contract. I believe he felt that a contract inhibited his freedom to do extra things for the Editor and the school. He wasn't satisfied doing just what he had to do — would never do less than was expected — and always was there to do more even if it meant paying for it out of his own pocket. I know this as a fact, with a small school that just didn't have the money to buy color for their Dedication page — Jack paid for the color separations because, "she deserved more . . ." And because that's the kind of Man Jack was.

Five times in the last eighteen years El Arador has been dedicated to an individual. El Arador 1967 was dedicated to Mr. Jack Cannicott . . . "He was an extraordinarily hard, conscientious worker to whom detail is highly important".

His vacation days were few and limited to July or August when he could sneak away to fish Albacore and Blue Fin Tuna in the Coronado Islands. Relaxing or working Jack wanted to share his life with others and invited a photographer friend of his and me to "fish the Coronados". The photographer, while he watched the Cormorants circle around the island, relayed his personal story to me of how he was saved from prison due to the faith and trust Jack had in him. He further asked if I was aware of the greatness of this one-of-a-kind man we called Jack. The hot summer days Mr. Cannicott would drive to the 'country' and hunt doves. In the Fall it was University of Southern California Football and the challenge of new yearbooks to be created.

Tuesdays were Jack's Day at Gardena High and he would always plan to get here just before lunch. Lunch in the Cafeteria and the rest of the afternoon spent with the Editor, Staff and Advisor was his Tuesday menu. He always enjoyed talking with Mr. Syl Ledesma who was a student at Compton when Jack made their engravings. Gardena was a favorite school of his and he had more pride in it than some of our students have. It was a compassionate Jack that called me at home late in the evening on several occasions to ask how Kenny Smith was getting along. To my knowledge Kenny and he had never met. Mohican football was second only to the Trojans. He perused the sports pages in detail and was well aware of the position of our Mohicans in League and City play.

Early in the morning and late in the evening phone calls were typically Jack, but no matter how important the call was or how limited his time he always took

the time to ask, "How's the boy in Utah? . . . and the boy down south? . . . and the little guy?" When Rene answered the phone he spent as long with her as he did me. He followed Terry from birth through all the stages little boys go through.

His inside coat pocket was his office away. It was 'stuffed' with paper napkins on which he had made business notations, correspondence from associates, letters from former Yearbook Editors now in college and once in awhile a little card on which was printed a risqué joke. Somewhere in his outside coat pocket he could always find a roll of life savers, some gumdrops or a few pieces of butterscotch candy.

He loved kids and Yearbook production was his life. Jack couldn't retire from that combination even though he was financially able to do so. The last few years Mr. Cannicott reduced his publication load to a few select schools that he knew could manage with an occasional visit from him once they got started. His health had not been the same since he fell from a ladder and hurt his back helping a friend trim a tree a few years ago. Following a heart attack and two light strokes he was in a hospital to mark his 77th birthday on January 26. Jack passed away on March 10, 1975 in Lynwood.

El Arador '67 Editor Susan Izu wrote, "It is reassuring to know there are people like this who really care". El Arador '75 Student Life Editor Shari Yamamoto remarked, "He's the man who brought us the candy". Jack would like to be remembered in that way. He really did care and rarely walked into class without the familiar brown paper bag with "goodies". Sincere . . . generous . . . that was Jack.

Room D-5 has been the home of El Arador and Jack's Tuesday Home since 1957. On the bulletin boards hang numerous schedules for deadlines, pictures for printing and memos. Stacked throughout the shelves are remnants of past yearbook staffs; proof sheets from the publishing company, repros with smeared thumb prints, unused pictures with out-dated fashions and sketchy art designs. And this fall when the 1976 Annual Staff begins work Day by Day and Mr. Jack Cannicott will become a part of that past. He left a record of over 60 years in yearbook publications and never had a late book with any of his schools. In that same period of time he has won more Medalist and All American ratings than any publisher on the West Coast. Above all this it is his friendship that we miss the most.

There will always be a special place set apart from the rest of my friends for the Man we called Jack . . .

Gene Cattermole

El Arador Advisor 1957-1975

A SPECIAL THANK-YOU TO SOME SPECIAL PEOPLE . . .

The 1975 El Arador wasn't the result of just one or two people, but an accumulation of hard work and dedication put out by many different people both in and out of class.

*Very few professionals work on the actual planning and laying out of the book, but a few who did give us a hand and deserve a great thank-you are: **Linda Grindstaff** from **Smith Pacific** who handled our cover, the staff at **Franklin Press** who always do an excellent job in printing our book, and several Gardena staff members, **Sil Ledesma** who printed our yearbook receipts and posters, and finally **Orlando Green** who handles the entire sales and distribution of the yearbook.*

This year, the yearbook staff consisted of 24 people. Every one of them gave alot of themselves and their time to put this book together. I just can't put into words the gratitude I have for all of your help this past year.

*Sports has always been an important part of Mohican life, and so it also is in the El Arador. This is a section with things happening all semester long. It takes a well organized, and hardworking group to handle this section. **Dale (Doc) Morimizu** was the Sports editor this year, with the help of **Susan Kwon** and **Tammy Gin**.*

*Both the Senior and Underclass sections are involved with alot of tedious work which takes alot of patience and dedication. **Jan Okamoto** (Editor) and **Stella Ogawa** cropped, panneled and pasted over 2,000 underclass pictures and names. **Betty Katsuki** headed the Senior section with the help of **Lynn Ikemoto** and **Donna Kariyama**. The three of them accumulated senior activity sheets from practically every senior at Gardena, which isn't a very easy job.*

***Eileen Kadowaki** (editor) and **Sharon Ikemoto** spent long hours on the Faculty section, which not only included the entire Gardena faculty and administration, but also the different office-workers who seldom receive recognition.*

*The Student Life section is an unpredictable one which requires alot of patience and tolerance. Many events are planned and scheduled, then cancelled at the last minute. This year it was handled by **Shari Yamamoto** (editor), **Susan Ichiyama**, and **Lillian Jefferson**.*

*Organizations is one of the most frustrating sections, but **Vicki (Slick) Ishida** (editor), **Danny (Nose) Fujimori**, and **Grace Tanaka** showed perserverance in covering every organization at Gardena High School which has a constitution on file.*

*The only outside financing this book receives other than yearbook sales comes from our advertisers. **Suzan Mochizuki** with the help of **Suzanne John** and **Debra Snedden** handled this section. This year, the 1975 El Arador staff went to businesses in the community and sold 3,992 dollars worth of advertisements.*

*I also want to thank **Susan Ichiyama**, **Suzanne John**, **Donna Kariyama**, and **Joy Tomikawa** for their art work. The cover was designed by Susan.*

*The yearbook class depends heavily on its photographers. This year, our head photographer was **Joey Ikemoto**. Joey, along with **Jon (John-boy) Yoshinaga** took and printed over 95% of the photos which appear in this book. Thanks so much for all of the time and effort you put into printing and re-printing the pictures.*

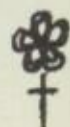

***Tak Isobe** like always provided us with all of the Senior portraits and advertising pictures. Many other photographers provided us with essential photos used in the introduction and divisions. They were: **Gene Cattermole**, **Charlie Farrell**, **Elaine "Love" Flanders**, **Steve Mau**, **Dave Myers**, **Hugh Ryono**, **Scott Shimane**, **David Wei**, **Ken Yonemura**, and **Bert Yoshinaga**.*

*Now I'd like to make a special thank-you to two people who helped me make it through this year. They are **Diana Bremmer**, and **Gene (Catt) Cattermole**. In September, I didn't give Diana any specific assignment or job, but she was a great help relieving the pressures which built up throughout the year. There was seldom a day when Catt left for home before 7:00. Although we did not always agree on things, I know now that everything he said or did came from his 19 years of experience as the yearbook advisor, and just 'cuz he cared.*

This has been a year in which I learned alot about different people, and especially about myself. I learned from all of the little things, the headaches, the hassels, and the tears that came up from day to day in the making of this book. I hope that you, the reader, also experienced the little things that happened day by day in 1975.

*Love,
Elizabeth Tushiki
